Dear Candy,

Best of luck to a
real swell gal and
actress. You're a
swell gal and I
really like you.

Always a friend,
Karen Ray

Dear Candy,
Best of luck
to a real swell
gal. Best of luck
in your future
career.

This has been a memorable year for all of us. Our new buildings reflect the growth of the school population. The forty acres that once looked so huge to Washington Township is now covered with new school buildings.

When this class started as Freshmen, there were 768 students and 36 teachers. This year we have an enrollment of almost 1600 and a faculty of 67.

As the school has grown so has the "Washingtonian". You will notice that this issue is twenty pages larger than ever before and has four autograph pages to record your memories.

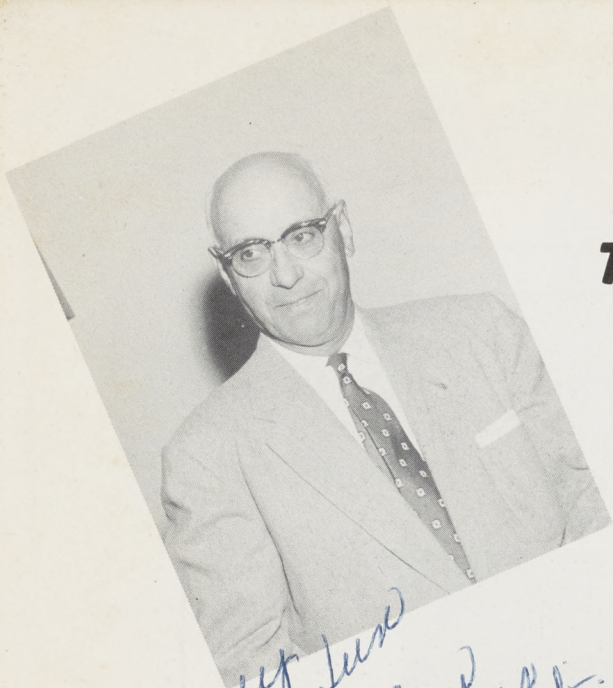

As your editor I have enjoyed working on this volume, a record of the year's activities. In the future this book should help to bring back fond memories of your days at Washington.

As the yearbook goes to press, the Vodvil is in its early stages of rehearsal. That is why the participants are pictured in their school clothes. Sorry the book had to go to press without pictures of the Modern Dance Group but we can't wait. By the time you read this, Vodvil will be history. We know it was a terrific production.

THE HATCHET

The "Hatchet" is Washington High's bi-monthly student newspaper publication. The Journalism Staff is under the supervision of "Hatchet" staff advisor, Mr. Marrazzo. The Journalism staff endeavors to always live up to their class motto "Good journalism trains for good citizenship". The publishing of the paper is conducted by the print shop classes under the direction of Mr. Kibby.

The "Hatchet" was first published in 1916 as a six by nine inch, two column paper and was partly mimeographed, partly printed. The paper discontinued for a time but later revived in 1921. In 1928 it was expanded to its present four pages.

We have to give our Huskies a good hand for effort. Their spirit was always high and they never once went on the football field without the feeling that they were going to win. They didn't have such a good season, but at least they tried hard. They hated to lose a game as much as or more than we hated to see them lose it. The boys in street clothes are Richard Bettencourt and Jack Griffith. Rich, with an injured leg and Jack, with a broken hand. During the last game Dennis Moffat was injured.

Our hats are off to the well-spirited and fighting team of 1955.

"B" FOOTBALL

Senior Puppies: A. Hernandez, B. Silva, M. Swarts, G. Aguilar.
Coaches: J. Cathcart, E. Williams, R. Tierney.

The B's had a very good season with a well-balanced team. Several of our boys made All-Valley mention. Among these were Freitas, center; Swarts, tackle; Hernandez, end; Rebello, full back; Paler, quarterback. All these boys were from first string. On second string we had one boy who made All-Valley, Aguilar, guard. Hiro Kurotori received honorable mention.

Pretty good team, don't you think, gang?

VARSITY BASKETBALL

"Huskies in action!"

Coach Voorhees

The varsity this year was paced by the accurate shooting of Ken Ornellas. Other seniors who showed up well were Tino Rangel and Tony Chivers. There are several talented juniors who did exceedingly well and will be a big help next year. These include Walton, Rigmaiden, Robertson, Rebello, Olk, and Neeley. We can look forward to an interesting season next year.

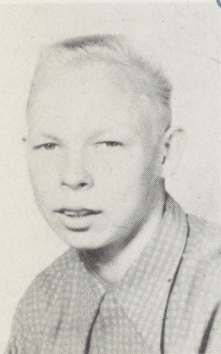

Front Row: D. Walton, K. Ornellas, D. Banuelos, G. Mahusay, T. Chivers. **Back Row:** O. Olk, G. Cobarruviaz, C. Robertson, J. Trefz, J. Neeley, T. Rangel, S. Rebello.

B BASKETBALL

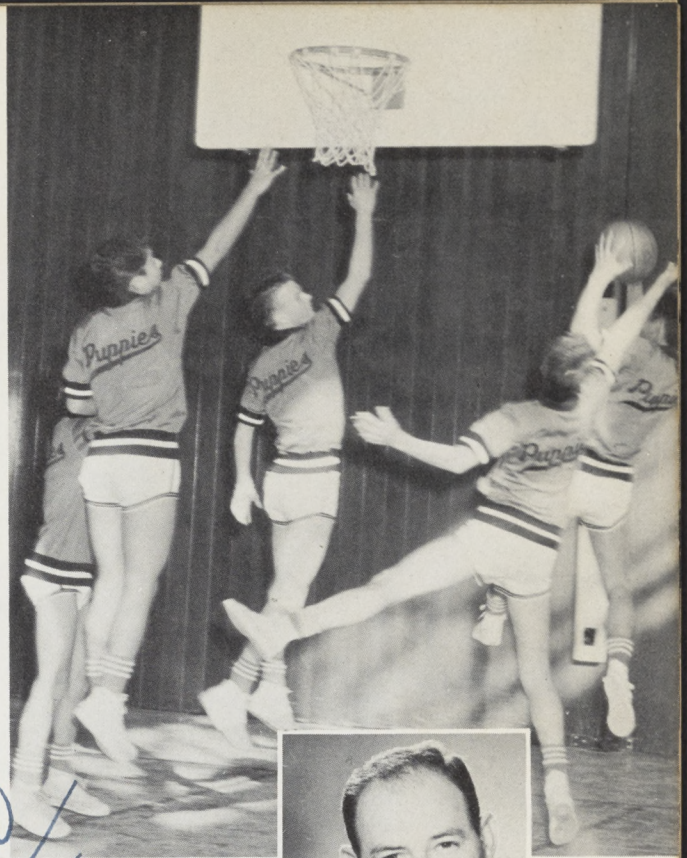

This year's "B" team has a lot of hustle. Led by Paler for the second year in a row, these boys have been winning their share of the games. There is a wealth of good material this year and several of these boys will be very helpful to the varsity in future years. The team has done well against some very tough competition.

VARSITY BASEBALL

As the yearbook goes to press our ball team is just getting into its stride. Under the steady pitching of Rangel and Olk the Huskies are out to win a few ball games for Coach Spino.

The team will miss slugging Bill Waters but there are many good juniors who will still be around next year. Congratulations to our team and Coach Spino.

SWIMMING AND DIVING

This is the first year that Washington High has had a complete swimming and diving team for league competition. Among the seniors, Ernie Morgan is one of the top contenders in the league. Milton Martini will be hard to replace in diving.

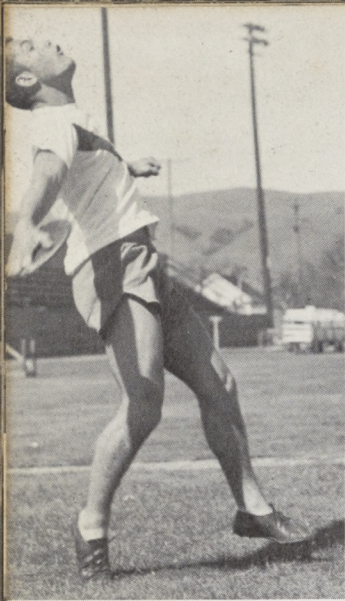

In the "B" division our outstanding swimmers are Doug Rowe and Johnnie Stewart. Coach Cathcart deserves a lot of credit in turning out an excellent team.

CROSS COUNTRY

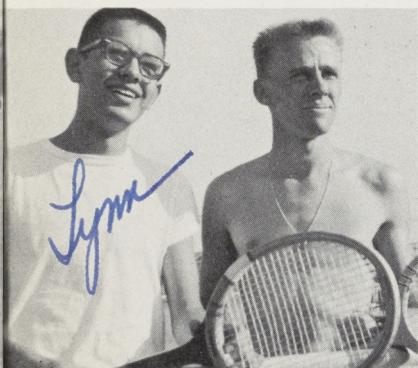

Sixteen young men came out for the Cross Country Team at Washington High. Four of those sixteen lettered, with two varsity and two B blocks awarded. Four meets were attended; the first held at Golden Gate Park in San Francisco, the second at Hayward High School and the last two at Stanford University; the SCVAL Finals, and the North Coast Championships.

The heavy load of Varsity competition was carried quite successfully by Gary Gellerman and Don Hebel.

This is the first year that our school has had a wrestling team in the S. C. V. A. L. League. For this reason even the most optimistic did not expect our grapplers to walk off with many honors. In the S. C. V. A. L. Finals Adams and Jenkins took second place. Bachman and Masuda took fourth place. Adams and Jenkins were invited to participate in the Northern California Championships.

 year I was such a nobody, but you've really helped me
 to realize you only live once. You have honestly got
 what it takes. You are a person that someone can turn
 their problems to. I'm sure will have loads of fun this
 summer in the future. You are truly a friend of anyone
